2009-2010**

# A LETTER FROM THE DIRECTORS

B"H

If you are one of many special people already involved in the Friendship Circle, then you are aware of the immense impact it has had on the community. The Friendship Circle extends a helping hand to families who have children with special needs, involving them in a full range of social and Judaic programs. While assisting families, our teenage volunteers become empowered and enriched- a friendship which works both ways!

We at the Friendship Circle are looking forward to an exciting and fun filled year. In addition to our current programs, many new innovative programs are being implemented for this upcoming year.

Whether you are a parent of a child with special needs or you'd like to be a volunteer, the Friendship Circle has something to offer you and invites you to become a part of this wonderful organization.

Together, we can all make a difference!

Have a happy and a healthy sweet New Year!

Sincerely,

*Rabbi Elazar and Esther Bogomilsky*

# OUR PROGRAMS

## FRIENDS AT HOME

FRIENDS AT HOME is the core of our program. Each week, pairs of teenage volunteers visit participating children in the environment they are most comfortable in, their own homes.

These teens are specially trained for their valuable role as a friend and mentor.

## HOLIDAY PROGRAMS

Friendship Circle HOLIDAY PROGRAMS allows the entire family to celebrate together in a comfortable setting. Innovative activities bring the warm and joyous feelings of the holiday to the children and their families.

## iVOLUNTEER

iVolunteer is a new program allowing young adults, with and without disabilities, to gather in diverse settings to serve our community in various ways, such as serving food to the homeless, helping at local food banks, and bringing gifts to children in hospitals.

## SUNDAY CIRCLE

SUNDAY CIRCLE programs take place monthly throughout the school year. Teenage volunteers and all the special friends spend two terrific hours together, with movement, music and art instructors. In a fun filled atmosphere they explore Jewish themes

through innovative and creative programming.

## PARENTS WORKSHOPS

**Parent Workshops** will be held parallel to the Sunday Circles. Guest speakers will be featured, along with coffee and refreshments.

### Mom's Night Out

Join us for a special evening for all Friendship Circle moms. Participants will enjoy a great evening of camaraderie, cuisine and creative concepts

## SIB SHOPS

SIB SHOPS provide a unique experience for siblings of children with special needs. These gatherings offer a chance for children to express their feelings in a supportive and fun setting.

# VOLUNTEER PROGRAMS

## FRIENDSHIP CIRCLE VOLUNTEERS

Nothing makes children feel better about themselves than spending time with friends that truly care about them. Through the Volunteer Club, remarkable bonds are forged between the children with special needs and their teenage friends.

The volunteers' commitment and willingness to give of their time gives us hope for the future, reminding us that, despite what many people believe, today's young men and women are responsible and caring. And while our volunteers help others with friendship and fun, these programs have a tremendous impact on them as well, building dedicated and caring future leaders.

The Friendship Circle rewards their altruism with a vigorous, round-the-year program of exhilarating social outings, rewards and activities just for them.

The Volunteer club began in 2004 with seven members. Today, nearly seventy dedicated individuals ages 12 and up participate in this wonderful enterprise.

## VOLUNTEER FELLOWSHIP TRAINING SEMINARS

These interactive seminars will be given by professional trainers. Volunteers will share ideas and knowledge related to their role as mentors. With tons of fun tips and ideas, no volunteer should miss out on these great opportunities to learn, discuss and oh yes, eat!!

## FREQUENT FRIENDS MILEAGE PROGRAM

The Friendship Circle has launched a new state-of-the-art system to help streamline reporting and encourage volunteers to document their activities. The Mileage Program is a web-based tool where volunteers log their friendship visits,

communicate with staff and redeem their "miles/points" for a variety of promotional items.

Program can be accessed through our website at [www.FriendshipCircleWA.org](http://www.FriendshipCircleWA.org).

## MITCHELL STEIN FELLOWSHIP AWARD

We will be granting the Mitchell Stein Fellowship Award to all volunteers who demonstrate a commitment to their special friends. Through consistent volunteering and expanding their knowledge in this field they will qualify for

this prestigious recognition. This will be a great addition to any college application.

Earn 24 credits and receive the Mitchell Stein Fellowship Award.

Minimum of one educational seminar required to receive the Mitchell Stein Fellowship Award. All participation must be recorded on the mileage site on a monthly basis in order to receive credits.

# FRIENDS AT HOME

# **SUMMER FUN DAYS**

Summer wouldn't be the same if it weren't for special Summer Fun Days the Friendship Circle likes to plan! For children with special needs and volunteers sitting at home with nothing to do, it's a time to enjoy the sun at our summer family BBQ, a trip to the zoo, and more. Keep posted for the dates!
